

Blue & White CONSTRUCTION FLUSH by Callahead

As New York's premier portable sanitation company since 1976, CALLAHEAD has the largest selection of equipment for every portable restroom want, need, and budget. The **BLUE AND WHITE CONSTRUCTION FLUSH** is CALLAHEAD's long-term rental and an upgrade from the standard portable toilet. This full-size portable toilet has a flushing toilet and closed cavity tank which workers will appreciate. Constructed of double ply polyethylene for strength, the **BLUE AND WHITE CONSTRUCTION FLUSH** is not only durable, but it looks great too. Only CALLAHEAD offers the most selection to give our customers the choice of not only amenities and features but also color and design. We have CALLAHEAD's signature signage on all four walls of the exterior representing the best in portable restrooms adding to its value at the job site.

The **BLUE AND WHITE CONSTRUCTION FLUSH** has a self-closing spring-loaded door with an interior lock to trigger the exterior occupancy sign for privacy. Once inside you will see it has a spacious interior so even construction workers wearing bulky tools can move comfortably inside the restroom. The full-size comfortable toilet seat has a foot operated flushing system for hands-free operation. The **BLUE AND WHITE CONSTRUCTION FLUSH** has an enclosed holding tank and is another upgrade from a basic porta-potty. There is also a separate non-splash urinal.

CALLAHEAD also offers adding any of our additional accessory options for even more upgrade features for the most sanitary trip to the restroom. Our accessories, such as our Antiseptic and Hand Towel Dispensers can be installed inside the **BLUE AND WHITE CONSTRUCTION FLUSH** upon request. The extra-large 70-gallon holding tank will allow for substantial bathroom use on the construction site.
