

THE CALLAHEAD COMMODOE PORTABLE RESTROOM

The **COMMODOE Portable Toilet** is a VIP portable toilet designed exclusively by CALLAHEAD with special features unavailable anywhere else. This one-of-a-kind portable restroom is more than just a portable toilet with a handwashing sink. It also includes safety handrails installed throughout its interior. The **COMMODOE Portable Toilet** has everything you need for a sanitary trip to the restroom, including a flushing toilet, full-size comfortable toilet seat, urinal, and handwashing sink with filled soap and hand towel dispensers. What makes the **COMMODOE Portable Toilet** so special are the six stainless steel handrails installed throughout the interior to offer stability and safety for those who require extra assistance when using the restroom.

The **COMMODOE** is a single self-contained portable toilet that can be used in any remote location without any electric or water supply needed to operate. The six stainless steel handrails will be appreciated by the elderly or anyone with physical challenges who require extra assistance when using the restroom. CALLAHEAD installed the handrails on all three interior walls to provide users who need extra assistance, stability, and peace of mind.

This portable toilet is stylish, too. The aqua and gray coloring will look great in any location. The **COMMODOE Portable Toilet** is constructed of durable polyethylene for strength. The ultra-strong and smooth, two-ply walls wipe easily clean and do not absorb odors. The translucent roof delivers natural bright light inside. A 70-gallon holding tank will handle heavy bathroom use.

The **COMMODOE** is perfect for special events and an ideal rental for seasonal locations and long-term sites such as parks, beaches, pools, restaurants, nursing homes, churches, synagogues, hospitals, medical facilities, and emergency locations. The **COMMODOE Portable Toilet** is a popular rental for graduations, community events, house parties, weddings, festivals, fundraisers, marathons, concerts, backyard barbeques, bridal and baby showers, and so much more. With the **COMMODOE**, you have everything necessary for everyone to have a safe and sanitary trip to the bathroom. The **COMMODOE Portable Toilet** will impress every user with all the included amenities as well as provide peace of mind for the elderly when using the restroom.

Once guests see you have a CALLAHEAD portable toilet, they will greatly appreciate you for providing a portable restroom of the highest sanitary conditions only CALLAHEAD can provide. You enter the **COMMODOE Portable Toilet** using the spring-loaded door that locks on the inside and triggers the exterior occupancy sign for privacy. The spacious interior boasts a full-size toilet seat with a closed cavity tank and foot-operated flushing system for easy and sanitary hands-free operation. The covered double toilet paper holder is conveniently located by the toilet seat. A separate non-splash urinal will help keep the toilet seat clean.

The handwashing sink also has a foot-operated pump for easy hands-free operation. Above the sink is a soap dispenser filled with antibacterial soap to kill 99.9% of germs and bacteria. A built-in shelf, coat and hat hook, and mirror are also available. The three interior walls each have two non-slip stainless steel handrails. Six handrails go both vertical and horizontal to provide users various options to safely hold on when they need to inside the **COMMODOE Portable Toilet**.

CALLAHEAD is the world leader in the portable toilet industry in every aspect of our business. We provide the cleanest and most advanced portable toilets delivered to you in like-new condition. Our countless inventions have changed the industry and deliver only the very best and cleanest portable restrooms for our customers. We clean and sanitize all of our equipment with only hospital grade cleaners and disinfectants, a necessity for our society's health and safety. We are a New York company since 1976, only serving New York City's Five Boroughs, Nassau, Suffolk, and Westchester Counties. We have over 125 trucks and 250+ employees dedicated to service every CALLAHEAD customer so you will never sacrifice on service. CALLAHEAD understands that to deliver the very best customer service in our industry, we must be dedicated and never extend ourselves outside of our service areas. Over extending our service areas like so many companies do only results in poor service and sanitation to affect the health and safety of customers. CALLAHEAD also has the most choices for any short-term or long-term rental need to accommodate any situation.

We offer same-day service to Brooklyn, Queens, Manhattan, Staten Island, the Bronx, Westchester, Nassau and Suffolk Counties. We have been servicing New York businesses and residents with the world best portable sanitation equipment since 1976. We are experts in the portable sanitation field and provide the most reliable, and sanitary portable restroom facilities in the industry.
