

A16 SECURITY BOOTH

The A16 SECURITY BOOTH is the portable guard booth of choice when you want the very best. Designed and created by CALLAHEAD, this New York Security Guard Booth will provide sophistication and style to enhance any job site while also supplying necessary security facilities.

CALLAHEAD's President and CEO, Charles W. Howard designed the A16 SECURITY BOOTH with high-end locations in mind. Locations such as, The Plaza Hotel and Trump Tower in New York City, and estate home construction sites in Westchester County and the Hampton's on Long Island.

The A16 SECURITY BOOTH is also the ideal guard booth rental for corporate buildings, stadiums, arenas, landmarks and institutions. This is the perfect security booth for sites that call for the best security as well as a guard booth architecturally designed to add value to the location.

The A16 SECURITY GUARD BOOTH is also rented for special events and seasonal locations in need of ticket booths such as school and university athletics, beach and pool locations, parking lots, fairs, traveling exhibits, circuses, coliseums, race tracks, park & recreation departments, zoos and other venues in need of temporary ticket collection and cashier stations.

Constructed of high density polyethylene marine grade plastic, the A16 SECURITY BOOTH was built using only premium heavy-duty materials. Its marine grade diamond plate aluminum and built-in marine grade stainless steel fasteners deliver a sturdy as well as stylish design. The exterior's Dolphin Gray color and polished aluminum finish are extraordinary. Mr. Howard's design of five different metals creates a spectacular security booth that shines like a piece of jewelry.

This upscale security booth is equipped with a commercial grade aluminum auto close lockable door. The door has a key lock entry and an interior locking system. The A16 SECURITY BOOTH is completely weather tight so it can be used to secure any job site any time of year. The installed thermostat controlled 1500 watt fan forced Braun heater will provide comfort to security guards even during New York's below freezing winter temperatures.

The guard booth has three sliding windows with screens that supplies fresh air flow inside the unit. All of the windows have an interior locking system for added security. There is a porcelain pull chain light fixture to provide necessary light for evening and nighttime use. There is also a 4 way 110v electric outlet installed inside the security booth for convenience.

The A16 SECURITY BOOTH's interior is an elegant high gloss cherry wood finish. The Armstrong flooring is also a cherry wood stain or a faux tile. The spacious 16 square foot interior boasts plenty of room for a table and chair to provide a comfortable work station during every tour of duty. CALLAHEAD also offers the option of adding our convenient furniture package with its rental.

The A16 SECURITY BOOTH is available for same day delivery by one of CALLAHEAD's professional uniformed delivery specialist. We service all of New York City's five boroughs of Manhattan, Brooklyn, Queens, Bronx and Staten Island, Westchester County and all of Long Island's Nassau and Suffolk Counties to Montauk Point.
