

## CALLAHEAD'S *Guard* POST 16 An Architectural Masterpiece

CALLAHEAD is world renowned for inventions and designs unavailable anywhere else. The newly designed GUARD POST 16 is CALLAHEAD's shining star of security guard booths unlike anything ever created. The GUARD POST 16 is an architectural masterpiece designed by Charles W. Howard CALLAHEAD's President and CEO. Mr. Howard is an award-winning builder and designer that has catapulted CALLAHEAD to be the leader in the industry with 50 years of expertise in the field. CALLAHEAD's GUARD POST 16 is an artistic old-world guard shed available in twelve color designs that will stand out from any other guard booth ever created. The GUARD POST 16 is a must have for New York's security detail that will increase the value of any location and look spectacular.

Security detail is a necessity to protect from theft, vandalism, public safety, personal liability, terrorism, security threats, fire prevention and detection for special events, landmarks, public locations, private estates, stadiums, concert venues, schools, construction sites, government buildings, hotels, private clubs, parks, beaches, restaurants, night clubs, shopping malls, museums, hospitals, corporate buildings, medical facilities, churches, synagogues etc. CALLAHEAD's GUARD POST 16 surpasses anything in the field for its design and function. The architectural design is impeccable with designed panels, brass or stainless moldings and trim, decorative appliques, and standing seam roof available in a dozen color choices. Twelve color choices deliver the perfect GUARD POST 16 for any property or landmark. CALLAHEAD manufactured guard booths are designed to artistically complement any location. The GUARD POST 16 will be viewed by the public as a custom designed guard booth for your location, adding to its value.

CALLAHEAD's GUARD POST 16 provides security detail protection from weather while the oversized windows on all four sides offer a complete outside view of the property they are surveilling. Constructed of Azek low density polyethylene means it is rot, waterproof and insect resistant to last a lifetime. Built weather tight with heat and roof mounted central air conditioning supply year-round comfort for long-term and short-term rental needs.

No architectural detail was missed when Mr. Howard designed the GUARD POST 16. Gorgeous appliques and crown, base, corner, and picture frame moldings extend all throughout. The standing seam roof color was selected to best complement the GUARD POST 16's exterior color. CALLAHEAD designer plates, doorknobs, and trim extend around the windows and doors adding to the GUARD POST 16's old-world design. Brass or stainless downlights light up the front facade to illuminate the work of art design. Twelve color choices with twelve specially selected CALLAHEAD signage plates, hardware, roof, molding, and trim design to create the most amazing security guard booth of our time.

Each of the twelve colored GUARD POST 16 security booths are unique and architecturally designed with coloring, hardware and trim work as follows:

- **In The Navy** guard post has a silver metallic roof with stainless hardware and trim work.
- **Red Theatre** guard post has a brandywine roof with brass hardware and trim work.
- **Essential Gray** guard post has a slate gray roof with stainless hardware and trim work.
- **Easy Green** guard post has a classic copper roof with brass hardware and trim work.

The GUARD POST 16 is equipped with a commercial-grade aluminum auto close lockable door with a 24" x 17" window. The door has a key lock entry and an interior locking system. On the three sides of the GUARD POST 16 are three 36" x 36" windows to offer easy viewing of all four sides of the surrounding area. The GUARD POST 16 is completely weather tight for year-round use. A wall-mounted Stelpro 1500-Watt fan-forced heater will provide warmth during New York's coldest winter months. A Coleman Mach 13,000 BTU air conditioning unit is installed overhead to keep security detail cool throughout humid summer days and not interfere with any interior space.

The GUARD POST 16's three extra-large sliding windows with screens offer fresh air flow when you need it inside. All windows have an interior locking system for added security. The marine grade plastic shelf is available to place personal items. A porcelain pull chain LED light fixture will provide the necessary light for evening and nighttime use. There is also a 2-way 110v electric outlet installed inside the GUARD POST 16 for convenience.

The GUARD POST 16's interior finish will match the exterior color. A marine grade plastic shelf is provided to place personal items. The Armstrong flooring is a wide plank faux wood or faux tile. The spacious 16 square foot interior boasts plenty of room for a table and chair to provide a comfortable workstation during every tour of duty. CALLAHEAD also offers the option of adding our convenient furniture package with a GUARD POST 16 rental.

The GUARD POST 16 will provide every security detail, a comfortable and safe workspace so they may do their best protecting the public and safeguarding property on any tour of duty. Renting the GUARD POST 16 will mean better and happier employees with less turnover and sick leave when they have a comfortable well-protected workspace. Since this is a CALLAHEAD brand exclusive design, the GUARD POST 16 is available only through CALLAHEAD.

The GUARD POST 16 is available for same-day delivery throughout New York City's five boroughs: Manhattan, Brooklyn, Queens, the Bronx, and Staten Island, Westchester County, and Long Island's Nassau and Suffolk Counties. As with all CALLAHEAD's equipment, the GUARD POST 16 will be delivered by a CALLAHEAD professional uniformed delivery specialist. Our delivery specialist will arrive at your location in one of CALLAHEAD's signature delivery vehicles and place the GUARD POST 16 at the location you select.
