

## CALLAHEAD A16 STORAGE SHED

The CALLAHEAD A16 STORAGE SHED was designed by Charles W. Howard, President and CEO of CALLAHEAD and an award-winning builder and designer. The CALLAHEAD A16 STORAGE SHED is an architecturally designed portable storage unit that will add value to every location. Manufactured by CALLAHEAD and only available from CALLAHEAD, the CALLAHEAD A16 STORAGE SHED is the only one of its kind in the field offered in various colors to blend in with your location. The CALLAHEAD A16 STORAGE SHED will look incredible and look as if it was built especially for your site. Constructed of the highest quality equipment using only marine grade materials for strength to secure valuables at your location safely. The attractive exterior will look impressive in front of any location, while visibly solid and durable construction keeps personal assets locked up safe and secure from theft, vandalism, and weather. Thermostat heat, electrical outlet, and lighting bring the indoors to any area to keep tools and any private property easily accessible while safely stored nearby.

The CALLAHEAD A16 STORAGE SHED is the ideal solution to store tools at the job site, sports equipment at the field, pool supplies at the country club or private residence, or in any situation where you need to keep valuables close for easy access and convenience. The CALLAHEAD A16 STORAGE SHED has a key lock entry and a commercial steel fireproof door with a full heavy-duty lock across the entrance to provide maximum protection. CALLAHEAD's CALLAHEAD A16 STORAGE SHED is constructed of high-density polyethylene marine grade plastic. The CALLAHEAD A16 STORAGE SHED was built using only premium heavy-duty materials. The marine-grade diamond plate aluminum and built-in marine-grade stainless steel fasteners provide unmatched strength and sophistication. No matter where to have the CALLAHEAD A16 STORAGE SHED, its extraordinary design will impress all who pass by. Available in several color choices, including blue, green, orange, brown, indigo, arctic white, dolphin gray, and red, to blend in perfectly at any site. The CALLAHEAD A16 STORAGE SHED's polished aluminum finish looks spectacular and exemplifies strength. In addition, the various metals' ornamental design makes the CALLAHEAD A16 STORAGE SHED stand out like no other portable shed available today.

The CAH A16 STORAGE SHED is the perfect solution to keep valuables organized during construction and renovations. In addition, it is the perfect portable storage unit to protect personal property from the outside elements and debris or for storing equipment used during the job to stay easily accessible while looking incredible on your property. With the CAH A16, there is no need to consistently travel to a storage facility, saving you time and the peace of mind to know your personal items are close by whenever you want them. With CALLAHEAD's CAH A16 STORAGE SHED, the storage unit is delivered directly to you and placed at the location you select.

Home renovations, high-rise buildings, tunnels, bridges, and road construction sites all need the CAH A16 STORAGE SHED for efficiency at the job site. Rather than traveling back and forth for equipment, the CAH A16 will save you time and money. Rather than worry about theft, damage, and weather, the CAH A16 STORAGE SHED located at the job site filled with supplies will make for a more productive site. For added convenience, with just one phone call, CALLAHEAD's CAH A16 STORAGE SHED can be relocated from job to job and follow construction crews. The CAH A16 STORAGE SHED is the perfect solution to provide a secure and weather-tight portable storage unit to any contracting or construction site.

CALLAHEAD's CAH A16 STORAGE SHED has no limit for uses. Sports fields, schools, and universities are also common locations where the CAH A16 STORAGE SHED is rented. The CAH A16 will protect and keep sports equipment and supplies at the field for easy and convenient access. Private houses and estates are also popular rental locations for the CAH A16 STORAGE SHED. The CAH A16 is the ideal rental to store valuables when you do not have enough space in an attic, garage, or basement. Perhaps you need extra storage for seasonal items, pool equipment, lawn supplies, or painting and remodeling a house. The CAH A16 STORAGE SHED will keep personal property well protected, close to home, with no need to travel back and forth to a storage facility to retrieve personal property. The peace of mind knowing your personal property is right where you are makes the CAH A16 a no-brainer. In addition, CAH A16 STORAGE SHED can be delivered outside your home quickly and professionally.

For businesses undergoing office renovations or requiring extra space for retail store inventory, important documents, or office supplies, the CAH A16 STORAGE SHED rental is the ideal solution. The CAH A16 STORAGE SHED is an architecturally designed portable storage unit with the durability and security to protect valuables anywhere you are. Seasonal businesses, pools, beaches, golf courses, country clubs, marinas, farmers markets, carnivals, fairs, marathons, and festivals, rent the CAH A16 STORAGE SHED to keep supplies and products close for convenience. Pool and beach supplies, fishing poles, sports equipment, boating supplies, retail sales, or valuables stored inside the CAH A16 will be protected. You will eliminate stress and save time and money with the CAH A16 STORAGE SHED.

The CAH A16 STORAGE SHED is a CALLAHEAD invention by Charles W. Howard, manufactured by CALLAHEAD, and unavailable anywhere else.
