

The RiverHead SHOWER TRAILER

CALLAHEAD supplies the equipment you see on our website, and never varies by location since our only service area is New York. We are the best in the industry because we thrive on perfection to ensure the highest sanitary conditions with state-of-the-art equipment and inventions unavailable anywhere else. The RIVERHEAD Shower Trailer will provide any location with the highest sanitary conditions that only comes from CALLAHEAD, a New York company through and through since 1976.

CALLAHEAD's RIVERHEAD Shower Trailer delivers 8-private shower stalls and 4-vanity sinks anywhere you need them. Two separate rooms and entrances may function as separate women's and men's shower rooms to provide 4-women's showers with 2-sinks and 4-men's showers with 2-sinks for privacy and comfort. All showers and sinks deliver hot and cold water options just like your home shower. The RIVERHEAD Shower Trailer is the perfect solution for construction sites, decontamination sites, emergency locations, water shut-offs, country clubs, beach clubs, pools, athletic facilities, schools and universities, marathons, movie and film shoots, or any location in need of long-term or short-term showers. Heat and air conditioning will provide necessary year-round comfort.

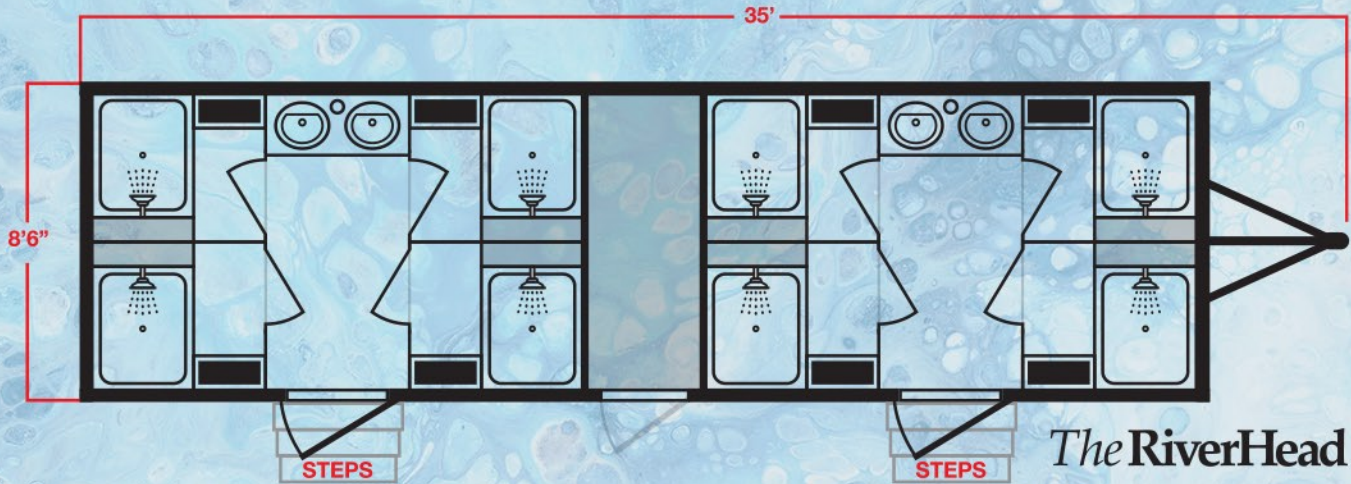

The two shower rooms have separate entrances with wide floating staircases with stainless handrails. This 30-foot box trailer has a bright white exterior with outdoor lighting that looks great in any location. The self-closing entry doors have CALLAHEAD's signature signage representing the best portable shower trailers. Once you enter the RIVERHEAD Shower Trailer, you will immediately be impressed with its very spacious and modern interior design. The women's and men's shower rooms are identical, with 4-shower stalls and 2-vanity sinks to provide a total of 8-showers and 4-sinks on any job site.

Inside the RIVERHEAD is wide-planked faux wood Armstrong flooring, adding warmth to the homelike design. The grey-painted high-gloss walls have white wood trim throughout and wipe easily clean. Each vanity area has granite countertops with two porcelain sink basins. The chrome single lever auto shut-off faucet provides hot and cold water options. There is a hand towel dispenser above the sink area. Between the two sinks is a built-in trash receptacle to help keep the vanity area clean. Above the sink is an oversized vanity mirror. Beneath the sinks are storage cabinets and toe-kick heaters to ensure warmth inside the RIVERHEAD Shower Trailer. A ceiling vent is available to eliminate steam, odors, and moisture inside the trailer.

The 8-shower stalls have oversized black stall doors with double locks for assured privacy. Once you enter one of the RIVERHEAD private shower stalls, you are in a separate spacious changing area. In the changing area is a convenient seated bench for drying off and dressing before and after using the shower. Above the bench are four convenient coat and hat hooks to hang towels, clothing, and other personal items. The shower is separated from the changing area with a traditional shower curtain hung on a wall-mounted rod easy to move from side to side. The shower curtain will eliminate water spray into the changing area while also offering an extra layer of privacy. The shower area has faux statuary marble walls with white trim. Each shower includes a stainless single Delta shower head easy to angle in the best direction for proper water coverage. The stainless single lever faucet is wall-mounted and easy to operate to provide a comfortable water temperature. A ceiling light inside each stall delivers plenty of light.

The RIVERHEAD Shower Trailer will work well during every New York season. 1500 watt fan-forced toe-kick heaters deliver warmth and comfort while taking a shower, even in New York's coldest winter months. In addition, a 15,000 BTU air conditioning system will keep users comfortable during the hottest days of summer. The RIVERHEAD Shower Trailer operates connected to a simple garden hose for fresh water. If there is no water hook-up available, CALLAHEAD's WaterShed 25 or WaterShed 16 is also available to supply fresh non-potable water to any remote location. A 1,000 gallon waste water tank will collect all the grey water. CALLAHEAD also recommends any of our portable toilet or restroom trailer rentals to accompany the RIVERHEAD Shower Trailer to deliver the world's best portable sanitation equipment and service when and where you need it.

A 110-Volt outlet or generator powers CALLAHEAD's RIVERHEAD Shower Trailer for convenience. The RIVERHEAD is available for delivery throughout New York City's five boroughs of Brooklyn, Queens, Manhattan, Staten Island, and the Bronx, and all of Westchester, Nassau, and Suffolk Counties all the way to Montauk Point. With every long-term rental, CALLAHEAD offers cleaning services daily, weekly, monthly or a cleaning service tailored to your requests. Our uniformed service technician will clean and sanitize the RIVERHEAD Shower Trailer with only hospital-grade cleaners and disinfectants and pump out any gray water. CALLAHEAD also installs a sign-in sheet in every long-term rental, so you know exactly who and when the RIVERHEAD was serviced.

Since 1976 CALLAHEAD has maintained the highest standards in all aspects of our business. We are the definitive experts in our field with countless inventions where no other company in our industry can compare. The RIVERHEAD Shower Trailer is a CALLAHEAD brand so you are assured of cleanliness and comfort with service you can trust. Only CALLAHEAD has consistently developed and evolved the industry to supply homelike comfort, hospital-grade cleanliness with stress-free service. It is our commitment never to stop producing so we may provide only the very best in portable sanitation. CALLAHEAD is a New York company only serving the New York area.

THE RIVERHEAD SHOWER TRAILER OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items with your RIVERHEAD Shower Trailer. All of CALLAHEAD's rental accessories were selected to deliver the same comforts and hygienic protection of a home bathroom. CALLAHEAD's portable restroom accessory items are unparalleled in the portable toilet industry and include:

- Antiseptic Dispenser installed inside the RIVERHEAD Shower Trailer filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements for sanitary protection. The antiseptic dispenser supplies approximately 900 – 1300 applications
- GoJo Hand Cleaning Dispenser is installed in the RIVERHEAD Shower Trailer and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to break down grease and grime easily. GoJo Hand Cleaner has become widely popular with construction workers and contractors to remove acids, cement and other solvents from hands.
- Headmist Time Released Air Freshener installed inside the RIVERHEAD Shower Trailer to release a fresh, clean scent automatically.
