

# The Blue Water portable toilet

EXCLUSIVELY FROM CALLAHEAD

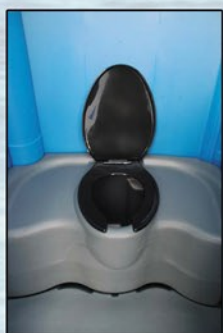

The BLUE WATER TOILET portable toilet is a bright addition to CALLAHEAD's endless assortment of porta potty rentals. A standard self-contained porta potty to rent long term that has a clean and fresh look. And since it comes with CALLAHEAD's supreme cleaning service, you're guaranteed that your portable toilet rental will stay clean and fresh. The BLUE WATER TOILET porta potty's Royal Blue color is designed to give your jobsite a sparkling fresh water look. Its sleek appearance and ultra-smooth walls won't collect dirt and dust, keeping the portable restroom cleaner longer. The BLUE WATER TOILET porta potty's color is truly an uplifting addition to the construction site.

The BLUE WATER TOILET is a two-ply, cross-ribbed wall paneled porta potty that is virtually indestructible. A double-walled roof is made to withstand the weight of heavy snow and ice. The extra-large 70 gallon holding tank will allow this outdoor portable toilet to handle heavy bathroom usage on the job site. The BLUE WATER TOILET has a full sized toilet seat and standard seat height for comfort. A separate non-splash urinal adds to the greater sanitary protection users will receive.

The portapotty's extra-large, rounded interior lets construction workers who are wearing bulky tools or clothing to move freely even when the portable toilet's door is closed. Two powerful springs hold the porta potty's door shut which prevents unwanted dirt from blowing inside the portable toilet to keep the outdoor portable restroom cleaner.

The BLUE WATER TOILET has an interior door lock and an exterior occupancy sign for privacy. A dual roll toilet paper dispenser and coat and hat hook are also standard inside BLUE WATER TOILET porta potty rental. Large wall vents and chimney stack provides a superior ventilation system to eliminate odors from previous users. The polyethylene construction and smooth interior surfaces also won't absorb dirt or odors so each person at the job site will have a more satisfying trip to this outdoor portable toilet.

CALLAHEAD's extensive selection of portable toilets for rent, gives every one of our customers the most choices for their portable sanitation needs. We have the most variety of affordably priced porta potty rentals available anywhere. The BLUE WATER TOILET is just one of many of our standard portable toilet to rent that provides a designer look and our superior cleaning service at an affordable price. When you rent from CALLAHEAD, you will have the largest variety of portable toilets to choose from no matter your budget.

## OPTIONAL ACCESSORIES TO RENT

For added convenience, we are proud to offer the below list of optional accessory items with your Blue Water porta john rental. All of CALLAHEAD's rental accessories for portable toilets were selected to give construction workers and contractors the same comforts and hygienic protection as if they were using an indoor restroom. CALLAHEAD's portable restroom accessory items are unparalleled in the portable toilet industry and include:

• **Antiseptic Dispenser** can be installed inside your Blue Water port a san filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. Perfect for your sanitary protection before and after using the porta potty, the antiseptic dispenser supplies approximately 900 – 1300 uses and is 100% maintained and refilled when needed by CALLAHEAD with its rental

• **GoJo Hand Cleaning Dispenser** can be installed inside the Blue Water portajohn and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to break down grease and grime easily. GoJo Hand Cleaner has become widely popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental

• **Paper Towel Dispenser** can be installed inside your Blue Water port a potty rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental

• **Headliner Toilet Seat Cover Dispenser** can be installed inside the Blue Water portapotty filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. Headliners are refilled when needed and 100% maintained by CALLAHEAD when rented

• **Headmist Time Released Air Freshener** can be installed inside the Blue Water portajohn that will release a clean fresh scent automatically. The Headmist is refilled when needed and 100% maintained by CALLAHEAD with its rental

• **Containment Tray** is highly recommended to accompany every portable toilet rental to assist in meeting local, state, and federal run-off regulations. Any fluids that may leak from the porta potty will conveniently drain towards the rear of the tray to a pump out location for our uniformed service technician to remove when servicing the portable toilet.
