

CALLAHEAD'S **HEAD** PORTABLE TOILET

CALLAHEAD has been in business since 1976 innovating new equipment to supply the world's best selection of portable toilets in the industry. The **HEAD** Portable Toilet by CALLAHEAD delivers what all construction crews would want to use at the job site. The **HEAD** Portable Toilet is an outstanding addition to our CALLAHEAD brand to display the utmost cleanliness, and superior sanitation only CALLAHEAD can provide. Whether you need a portable toilet for a commercial construction site or other long-term rental need, CALLAHEAD is world renowned for our hospital grade cleanliness, and revolutionary portable restrooms. We have the largest selection to accommodate any portable restroom need and want. The **HEAD** Portable Toilet not only provides the cleanest porta potty in the field, but it is also affordable and includes our hospital grade weekly cleaning service with every long-term rental.

The bright all-white color of the **HEAD** Portable Toilet looks chic and is extremely durable to handle any heavy construction site. This portable toilet is constructed of high-density polyethylene for strength. The **HEAD** Portable Toilet not only looks clean but is always cleaned and sanitized with only hospital grade cleaners and disinfectants for hygienic protection. CALLAHEAD also designed specialty signage on all four walls of the **HEAD's** exterior to bring a modern flair to the job site. The white signage has black lettering and includes the phrase, "HIT THE HEAD" several times. This term originated by sailors in the navy when they needed to use the ships bathroom facilities located at the head of the ship. It is our goal to have crews at every job site bring back this timeless phrase every time they need to use a CALLAHEAD. The decorative water drops on the **HEAD** Portable Toilet's exterior adds to the fresh design.

When you open the **HEAD's** spring-loaded door, you see it has a very spacious interior. The door locks from the inside that will trigger an exterior occupancy sign for every user's privacy. The **HEAD** Portable Toilet includes a full-sized toilet with a comfortable toilet seat. A covered dual toilet paper dispenser is conveniently located near the toilet and is filled with **CALLAHEAD** brand toilet paper. An extra-large 70-gallon holding tank will provide substantial bathroom use. The separate non-splash urinal is located at the furthest point from the toilet seat and will be appreciated by everyone who uses the **HEAD**. The urinal is connected to a vent pipe to keep from odors remaining inside the portable toilet. A convenient coat and hat hook on the interior above the door provides construction crews a place to hang a coat or tool belt when using the bathroom. The **HEAD's** smooth interior surfaces wipe easily clean will never absorb odors. The **HEAD** Portable Toilet is equipped with a chimney stack and combination floor and ceiling wall vents to deliver excellent fresh air flow to quickly eliminate odors from previous users. The **HEAD's** bright white translucent roof delivers bright natural light inside the portable toilet.

The **HEAD** Portable Toilet's white color leaves no place for the dirt to hide giving peace of mind for job site sanitary protection. A **CALLAHEAD** uniformed delivery specialist will deliver the **HEAD** Portable Toilet to the location you select. **CALLAHEAD's** unsurpassed weekly cleaning service by a trained uniformed service technician is included with every long-term rental. A **CALLAHEAD** professional service technician will arrive in one of **CALLAHEAD's** signature tank trucks to pump-out, clean and sanitize the **HEAD** Portable Toilet with only hospital grade cleaners and disinfectants, and restock it with toilet paper at every service. The technician will sign and date the **CALLAHEAD** installed sign-in service sheet mounted inside every **HEAD** Portable Toilet. At every service, your professional service technician will sign and date the sign-in sheet, so you always know who and when your **HEAD** Portable Toilet was serviced for added peace of mind. We are holding ourselves accountable to ensure every **CALLAHEAD** portable toilet is the cleanest in the field with our **HEAD** Portable Toilet rental.

OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items with your **HEAD** port a john rental. All of **CALLAHEAD's** rental accessories for portable toilets were selected to give construction workers and contractors the same comforts and hygienic protection as if they were using an indoor restroom. **CALLAHEAD's** portable restroom accessory items are unmatched in the portable toilet industry and include:

Antiseptic Dispenser can be installed inside your **HEAD** port a san filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection before and after using a porta potty. The antiseptic dispenser supplies approximately 900 – 1300 applications and is 100% maintained and refilled when needed by **CALLAHEAD** with its rental • GoJo Hand Cleaning Dispenser can be installed inside the **HEAD** portajohn and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to quickly break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by **CALLAHEAD** with its rental • Paper Towel Dispenser can be installed inside your **HEAD** port a potty rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by **CALLAHEAD** with its rental • Headliner Toilet Seat Cover Dispenser can be installed inside the **HEAD** portapotty filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. Headliners are refilled when needed and 100% maintained by **CALLAHEAD** when rented • Headmist Time Released Air Freshener can be installed inside the **HEAD** port a john that will release a fresh clean scent automatically. The Headmist is refilled when needed and 100% maintained by **CALLAHEAD** with its rental • Containment Tray is highly recommended to accompany every portable toilet rental to assist in meeting local, state, and federal run-off regulations. Any fluids that may leak from the porta potty will conveniently drain towards the rear of the tray to a pump out location for our uniformed service technician to remove when servicing the portable toilet.
