

# Key Lime Restroom by CALLAHEAD

The KEY LIME RESTROOM is designed with bright key lime coloring specially for waterfront and seaside locations. The KEY LIME is another design by Charles W. Howard, CALLAHEAD's President & CEO, to add to the long list of specialty designed restrooms to look amazing and add value to any location. The Rockaways, City Island, Long Beach, Manhattan Beach, Coney Island, Jones Beach, Brighton Beach, the Hamptons, Fire Island and Montauk are just a sample of where the KEY LIME RESTROOM is a popular rental.

The KEY LIME is a CALLAHEAD brand that looks amazing, especially in waterfront areas. The KEY LIME being a CALLAHEAD brand means it is also the most sanitary portable restroom available anywhere. CALLAHEAD cleans and sanitizes all of our equipment with only hospital grade cleaners and disinfectants before delivery and at every service. CALLAHEAD has been in business since 1976 and is world renowned in the industry. CALLAHEAD is a New York company serving only New York so you are assured of the greatest equipment and service in the industry. Plus, over 260 New York dedicated CALLAHEAD employees are here to provide the very best to every CALLAHEAD customer.

The KEY LIME coloring is so attractive. When placed along the waterfront it delivers art along with a necessity, adding to its value. The KEY LIME is not your typical restroom. The bright key lime exterior color will decorate the location with a beachy vibe.

The specialty designed oceanfront signage adds an artistic value to the beach flare. The KEY LIME was designed with oceanfront and waterfront neighborhoods in mind. Beach and waterfront construction jobs, seasonal summer locations, boardwalks, country clubs, parks, beaches, and concert venues, are just a handful of popular long-term locations for the KEY LIME RESTROOM.

Constructed of high-density polyethylene for strength, and the CALLAHEAD unique design represents the best in the portable sanitation industry. The roomy interior design is equipped with high flow molded-in vent screens for continuous airflow to reduce odor. The interior provides a convenient coat and hat hook, interior LED solar powered lighting, corner shelf and a gender friendly hover handle. The toilet seat is positioned precisely to reduce visibility to the urinal and reduce urine odor. The back corner vent stack not only efficiently vents odor from the highest point of the tank but also creates a roomier feel. The antiseptic dispenser is wall mounted on the interior for sanitary protection and to help reduce the spread of germs at the jobsite.

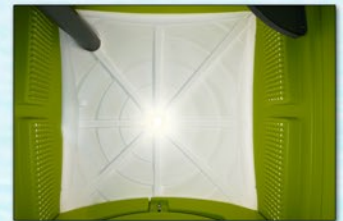

The KEY LIME RESTROOM is a one-of-a-kind design to deliver the best artistic design to waterfront jobsites. Coloring brings art to the jobsite and only CALLAHEAD has the perfect design for any setting. Having a portable restroom pleasing to look at as well as the cleanest in the field for the health and safety of the public is a win-win. CALLAHEAD knows the highest sanitary conditions are a must, and today more than ever.

CALLAHEAD's world renowned weekly cleaning service is provided with every long-term KEY LIME rental. CALLAHEAD guarantees hospital grade cleaning and disinfecting by trained uniform service technicians for all our equipment upon delivery and at every cleaning service. Our hospital grade cleaners and disinfectants kill 99.9% of germs and bacteria including the coronavirus, H1N1, SARS, E.Coli, the common cold, flu and other dangerous viruses, germs and bacteria.

The KEY LIME RESTROOM has a spring-loaded door to enter the large interior. The door locks from the inside and triggers an exterior occupancy sign for privacy. The interior of the KEY LIME is very spacious with a full-size comfortable toilet seat. A covered double toilet paper dispenser is conveniently located near the toilet and filled with CALLAHEAD brand toilet paper. The separate non-splash urinal is located at the furthest point from the toilet seat, something every user will appreciate. The urinal is also connected to a vent pipe to prevent odors from lingering inside the restroom.

A wall mounted antiseptic dispenser is filled with hand sanitizer to kill 99.9% of germs and bacteria to help eliminate the spread of germs. The coat and hat hook on the interior offers users a place to hang a tool belt or other personal items. A convenience shelf is also included. On the interior door are a mirror and a hover handle. The smooth interior wipes easily clean and will not absorb odors. The KEY LIME has a chimney stack along with molded-in vent screens to provide excellent air flow and release any odors from previous users. The KEY LIME'S white translucent roof delivers bright natural light inside the restroom

The KEY LIME RESTROOM has an interior ceiling light to provide plenty of light inside the restroom any time of day or night. The LED light operates from a solar panel on the roof so it does not require any electric or battery maintenance to operate. The light has a motion detector which turns the light on and off automatically as soon as you open the door. The white LED light provides substantial light inside.

CALLAHEAD'S KEY LIME is a long-term restroom rental which includes hospital grade weekly cleaning service that is unmatched in the industry. A CALLAHEAD uniformed delivery specialist will deliver the KEY LIME RESTROOM and place it in the location you select. At every cleaning, our professional technician will clean and sanitize the KEY LIME with only hospital grade cleaners and disinfectants plus re-stock toilet paper supplies and refill the antibacterial dispenser. At every service our service technician will sign and date the CALLAHEAD sign-in sheet showing accountability for every service.
