The surround sound music system, stainless vessel sink, vanity mirror, antibacterial soap dispenser, hand towels, filled tissue holder and candy dish will no doubt impress every guest. On the women's side, there is an extra-large enclosed bathroom stall with floor to ceiling lockable wood door. The men's restroom also has a very spacious bathroom stall plus a Sloan waterless urinal.

The AMAGANSETT has a bright white exterior with exterior lighting to accommodate both day and evening events. You enter both the men's and women's restroom using the sturdy floating staircases with aluminum handrails. The separately marked restrooms display CALLAHEAD's signature signage letting your guests know you rented the very best in restroom trailers. The white painted wood trim work and 3-foot wainscoting extend throughout the entire restroom. The AMAGANSETT also has wood base moldings, chair rail moldings, and crown moldings. Wide planked Armstrong flooring adds a warm, homelike setting to the restroom. Beautiful fine art prints of landscapes are custom framed in gorgeous gold Michelangelo frames.

Both restroom's sink and vanity areas include black Corian vanity countertops with a stainless steel sink basin. The stainless Chicago brand single lever faucet delivers hot and cold running water. A designer antibacterial soap dispenser, hand towels, filled stylish tissue holder and candy dish brings an extravagance to every guest's trip to the restroom. A built-in trash receptacle in the vanity will help to keep the restroom and vanity area clean. There is also a storage area beneath the sink for extra supplies.

For an added beautiful touch, the vanity area has a custom floral arrangement that will impress every guest. Both the women's and men's bathroom stall doors have a stainless brushed nickel handle and stainless locking system. There is a porcelain flush toilet bowl with a pedal flush for hands-free operation. A stainless double toilet paper holder, trash receptacle, and ceiling vent are inside each stall. Gorgeous framed artwork enhances the very spacious bathroom stalls. In the men's restroom, there is also a separate urinal area enclosed on three sides for privacy. The porcelain urinal is waterless and operates completely odor-free due to an exceptional filter system. Above the urinal, there is a shelving area and custom framed artwork.

The AMAGANSETT's Dometic brand thermostat heat and air conditioning in addition to the wall mounted fan forced heaters in both restrooms will bring a comfortable trip to the restroom any time of year.
