

## COMMERCIAL RESTROOM TRAILER

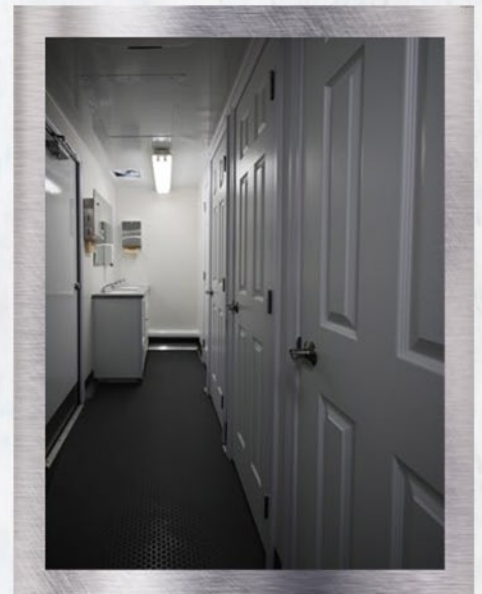

The COMMERCIAL RESTROOM TRAILER is CALLAHEAD's 28' portable restroom trailer for long-term or short-term rental. Portable restrooms are required for New York City's construction sites, and CALLAHEAD is the preferred portable bathroom trailer rental company of construction site managers, supervisors, and general contractors.

The COMMERCIAL RESTROOM TRAILER is also the perfect restroom trailer rental for commercial use, water shut-offs, bathroom rehabs, emergency locations, contracting jobs, government projects and seasonal locations.

The COMMERCIAL RESTROOM TRAILER offers comfort and amenities much like that of a home bathroom. Since it is a CALLAHEAD brand, it is also the most sanitary restroom trailer in the industry.

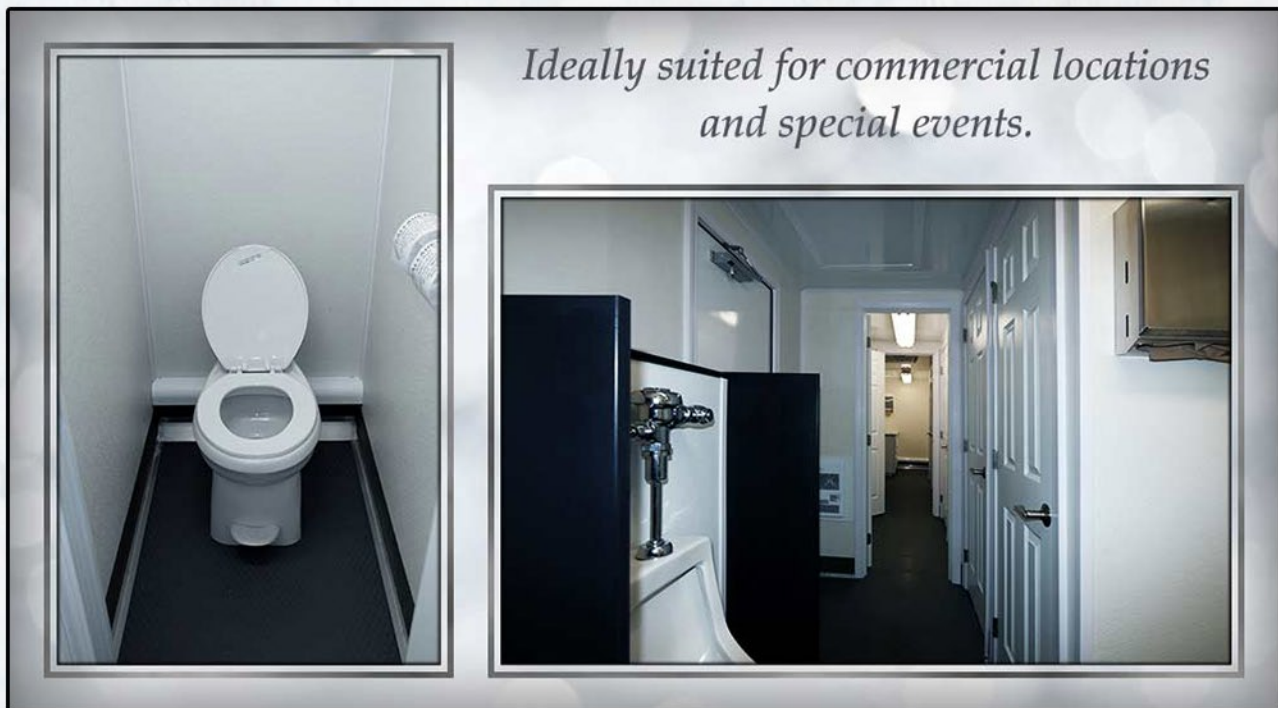

Large construction and commercial buildings are unique. These sites involve excessive time and labor, and construction crews are often based on the building site for several months or even years. Throughout construction, clients, engineers and architects will visit a construction site to monitor its progress, and you will need to provide them with sanitary restroom facilities.

The COMMERCIAL RESTROOM TRAILER from CALLAHEAD delivers a professional appearance, and has separate restroom facilities for both men and women. Depending on the job site and location requirements, this unique portable restroom trailer can be sectioned off to provide the women's restroom with three or five private bathroom stalls by easily closing one of two interior doors. Both doors lock on either side for ensured privacy.

The men's restroom has the option of two or four private bathroom stalls. Each bathroom stall has floor to ceiling lockable wood doors with brushed nickel door handles. The stalls are also very deep and spacious with porcelain flushing toilets and stainless steel toilet paper dispensers. The men's restroom is also equipped with two flushing urinals with privacy dividers. Both restrooms have laminate countertops with two porcelain sink basins. Chicago chrome automatic faucets provide both hot and cold running water options. A filled antibacterial soap dispenser and two stainless steel paper towel dispensers are conveniently located in both vanity areas. There is also a large 40" x 30" mirror above the vanity sinks.

You enter the conveniently marked separate men's and women's restroom facilities utilizing heavy duty wide steps with aluminum and steel frames. The stainless steel hand railings have three point support for stability. The staircases are equipped with safety lighting, and there is an exterior lighting system for evening and nighttime use. The self-closing door is equipped with CALLAHEAD's signature signage emulating the best in portable restroom trailers for peace of mind. The interior slip resistant rubber coin flooring supplies superior durability. Waterproof fluorescent 4' light fixtures go throughout the interior. There is also a skylight to provide plenty of natural light inside the restroom trailer and ceiling fan vents if desired. A flush mount thermostat fan-forced heating system will keep the COMMERCIAL RESTROOM TRAILER warm in the freezing winter months. While the 13,500 BTU air conditioner will ensure the portable restroom trailer remains comfortable during New York's humid summer months. The COMMERCIAL RESTROOM TRAILER's electricity runs conveniently on a generator or standard 110 Volt outlet.

The COMMERCIAL RESTROOM TRAILER is available for delivery throughout all of New York City's five boroughs of Brooklyn, Queens, Manhattan, Staten Island and the Bronx as well as all of Westchester County and Nassau and Suffolk Counties all the way to Montauk Point. Also available is CALLAHEAD's daily, weekly, monthly, or anything in-between hospital grade cleaning service by our professional uniformed service specialist. CALLAHEAD are the innovators of the portable restroom industry, furnishing New York's construction sites and residents with the most sanitary and advanced portable sanitation equipment since 1976.
