The **INDUSTRIAL 105 Restroom Trailer** is available throughout New York City's five boroughs, Westchester and all of Nassau and Suffolk Counties to Montauk Point on Long Island. This self-contained restroom will be professionally delivered by a CALLAHEAD uniformed service technician and set-up in approximately 30-minutes. It has a thermostat heat and air conditioning system so that you will receive a comfortable trip to the **INDUSTRIAL 105 Restroom Trailer** throughout every New York season. Entering the men's and women's restroom is safe and easy utilizing the wide floating stainless steel staircase with aluminum handrails. The self-closing door locks from the inside and illuminates the exterior occupancy sign for assured privacy.

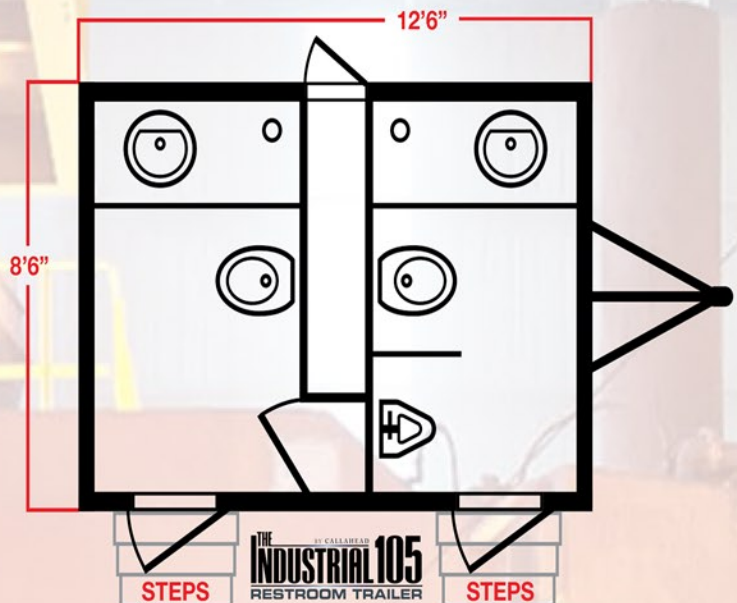

Having CALLAHEAD at the job site means adding value to your location too. CALLAHEAD's signature signage which is displayed on the trailers exterior doors will represent you have selected the very best in restrooms for your staff. Exterior lighting on the **INDUSTRIAL 105 Restroom Trailer** is ideal for evening and overnight construction job sites too. The men's side has an oversized private restroom. There is a porcelain flush toilet bowl, vanity sink, and a Kohler waterless porcelain urinal. The men's urinal is in a perfect location on the opposite side of the room away from the toilet and surrounded on three sides for privacy. The women's side also has an extra-large private bathroom equipped with a porcelain toilet and vanity sink area. The full-size porcelain flush toilet bowl has a pedal flush for hands-free operation. The double toilet paper holder is located conveniently near the toilet bowl.

The **INDUSTRIAL 105** delivers a private home bathroom experience right at the construction site. Each restroom has a Corian vanity countertop with a stainless sink basin. The Chicago brand single lever faucet provides users hot and cold running water. Wall mounted stainless soap, and towel dispensers are installed above the sink for easy access. A large vanity mirror is also located above the sink area. There is a built-in trash receptacle in the countertop to help keep the restroom clean. Plus there is plenty of storage for bathroom supplies.

The gray walls have stainless trim throughout both restrooms. The black cabinetry brings a contemporary design. While the wide planked faux wood Armstrong floor brings a warm touch to the restrooms setting. With the **INDUSTRIAL 105 Restroom Trailer**, you will receive the cleanest portable restrooms at the job site. CALLAHEAD cleans and sanitizes all of our equipment with only hospital grade cleaners and disinfectants. A thermostat heat and air conditioning system inside the **INDUSTRIAL 105** guarantees comfort even during the hottest New York summer months. Plus, the wall mounted fan forced heaters will make sure the **INDUSTRIAL 105** stays comfortable even during below zero temperatures. The **INDUSTRIAL 105** is equipped with ceiling installed vents to deliver additional ventilation. LED high-hat ceiling lighting will ensure you have plenty of light. Electricity for the **INDUSTRIAL 105 Restroom Trailer** conveniently runs from a generator or standard 110-Volt outlet.

The **INDUSTRIAL 105 Restroom Trailer** is available for delivery throughout New York City's five boroughs of Brooklyn, Queens, Manhattan, Staten Island and the Bronx, as well as all of Westchester, Nassau, and Suffolk counties. CALLAHEAD also has our additional hospital grade cleaning services available daily, weekly, monthly or based on your job sites specific need. Our professional uniformed service technicians will clean and sanitize the restroom with hospital grade cleaners plus re-stock the **INDUSTRIAL 105** with supplies at each service.
