THE INDUSTRIAL RESTROOM TRAILER

BY CALLAHEAD

The INDUSTRIAL RESTROOM TRAILER is CALLAHEAD's 24-foot portable restroom trailer created especially for the commercial and industrial sectors. Charles W. Howard, CALLAHEAD's President and CEO, continues to design portable restrooms to ensure every customer can select the perfect bathroom for their needs and location. The INDUSTRIAL created for job sites such as power plants, is just one of CALLAHEAD's many specialty restroom trailers.

CALLAHEAD has the largest selection of quality portable restrooms in the industry to accommodate any situation. In fact, since 1976 CALLAHEAD has revolutionized portable restrooms. These innovations have propelled CALLAHEAD into the world's greatest portable sanitation company for New York's businesses and residents.

This 10-station restroom trailer has all the essential amenities for cleanliness and comfort. The INDUSTRIAL RESTROOM TRAILER promises to deliver ample restroom facilities with CALLAHEAD's renowned first-class service for your long-term rental needs.

The INDUSTRIAL RESTROOM TRAILER can be delivered throughout Manhattan, Queens, Bronx, Staten Island, Brooklyn, Westchester and all of Nassau and Suffolk Counties on Long Island. Separate bathroom facilities for men and women make it perfect for user privacy and comfort. The exterior lighting makes the INDUSTRIAL RESTROOM TRAILER beneficial for evening job sites too. Because the INDUSTRIAL has a thermostat heat and air conditioning system, you will have comfort inside the restroom any time of year.

The exterior's wide floating staircases with aluminum handrails provide easy access to both the women's and men's restrooms. The entry doors display CALLAHEAD's signature signage representing the best in restroom trailers. The women's restroom has five separate bathroom stalls with black cathedral arched lockable doors. Each private stall is equipped with a flush porcelain toilet, dual toilet paper dispenser, covered trash receptacle, and lockable stall door. The porcelain toilet bowl has a pedal flush for hands-free operation. The men's restroom has two private bathroom stalls with all the same features as the woman's stalls. The men's restroom also provide four Sloan porcelain waterless urinals with stylish black privacy dividers. Due to a special filter system, the urinals operate completely odor free. There is also a six-foot shelving area above the urinals for convenience.

The men's and woman's restrooms have sleek easy to clean surfaces that won't absorb any odors. The INDUSTRIAL's Corian vanity countertops have smooth stainless steel sink basins. Hot and cold running water is delivered through the sinks Chicago brand single lever faucet. Wall mounted built-in soap and hand towel dispensers are also stainless and readily available above the sinks. The integrated trash receptacle of the vanity will assist in keeping the restroom and sink area clean. A well-appointed vanity mirror is provided above the sinks, and there is even storage space beneath the sinks for extra supplies. Armstrong wide planked wood laminate flooring extends throughout both restrooms. The INDUSTRIAL's chic design will not only deliver sanitary bathroom facilities, but it will also provide value to your location.

In addition to the INDUSTRIAL RESTROOM TRAILER's dual thermostat heating and air conditioning system, there is a fan forced heater in each restroom for guaranteed comfort during the coldest New York winter months. The restrooms ceiling installed vents offers extra ventilation when you want it. While the forty-seven LED ceiling lights throughout the restroom trailer will provide plenty of light inside. The INDUSTRIAL conveniently runs from a generator or standard 110-volt outlet.

Perfect for building, commercial or any major construction job.

Clearly designed to add value to any construction site.
