RESTROOM TRAILER

Construction jobs occur year round in New York City, Westchester, and Long Island. Building and shopping mall bathroom renovations are also common. These situations require plenty of bathroom facilities for crews, customers, clients, and staff. CALLAHEAD's **MILL BASIN Restroom Trailer** supplies 10-restroom stations with separate men's and women's restrooms to handle heavy bathroom use. The **MILL BASIN Restroom Trailer** delivers clean and private restroom facilities that are climate controlled with heat and air conditioning for comfort year round. The **MILL BASIN Restroom Trailer** is equipped with vanity sinks, and soap and hand towels to help eliminate the spread of germs.

The **MILL BASIN** is an extra-large restroom trailer with a crisp white exterior and outdoor lighting perfect for evening use. Both the women's and men's restrooms have heavy-duty staircase entries with stainless steel handrails. Each self-closing door has CALLAHEAD's signature signage on the exterior revealing the very best restroom trailers in the industry.

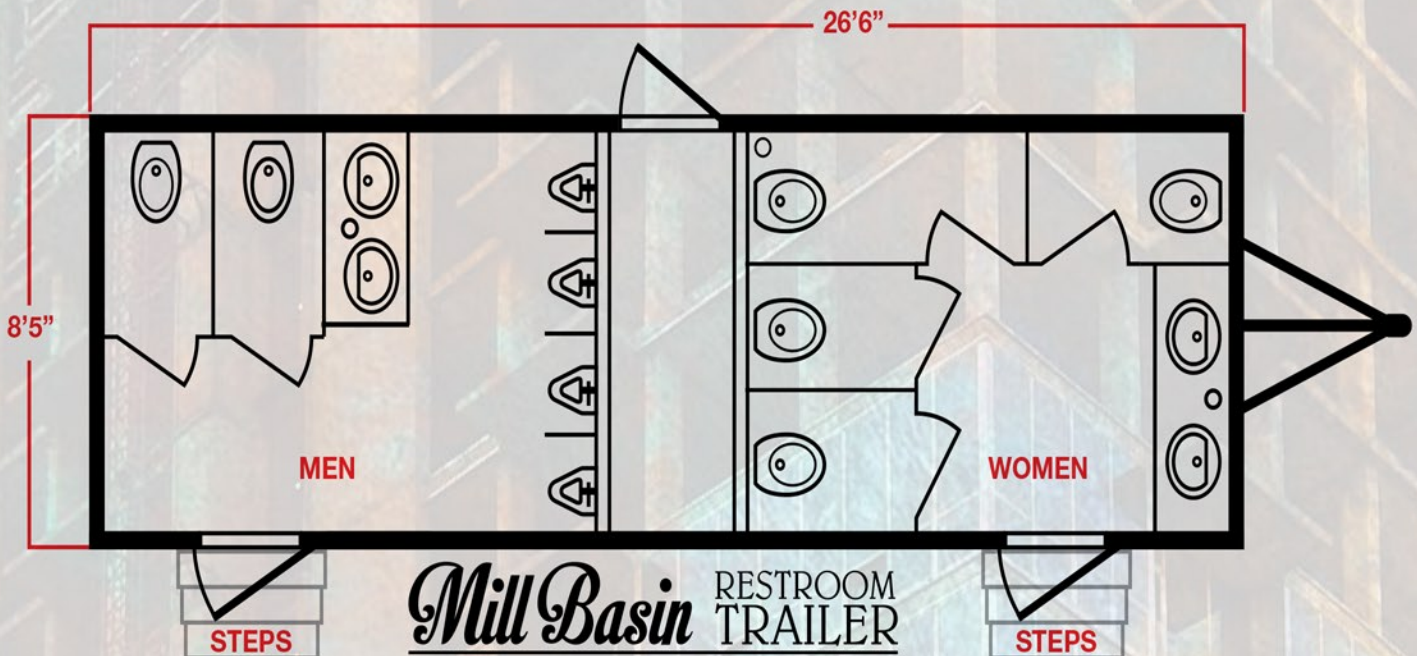

The women's restroom has four private bathroom stalls, and the men side has two stalls and four Sloan porcelain waterless urinals with privacy dividers. The urinals operate odor-free due to a special filter system. Every stall and privacy divider inside the **MILL BASIN** is a gorgeous royal blue color. Each spacious bathroom stall has a porcelain flush toilet, stainless steel double toilet paper holder, coat and hat hook and an interior locking system for privacy. The toilet bowls have a foot pedal flush for hands-free operation. The women's stalls also include a covered wall mounted trash container for sanitary products. Ceiling vents will provide extra ventilation inside the **MILL BASIN Restroom Trailer**.

The women's and men's side have two porcelain sinks in each restroom. The Moen auto shut-off faucets provide hot and cold water options. All vanity areas include wall mounted filled soap and hand towel dispensers. There are vanity mirrors over the sinks with stylish horizontal wall sconces. The Corian countertops have a built-in trash receptacle to help keep the restroom and vanity area clean. There is additional storage space beneath the sinks for extra supplies. The **MILL BASIN Restroom Trailer** has rubberized laminate commercial flooring to handle heavy-duty traction at the job site.

There are LED high-hat ceiling lights throughout the entire restroom trailer. A 1500 BTU Coleman Mach heat and air conditioning system of the **MILL BASIN Restroom Trailer** is thermostat controlled. Two 1500 Watt toe-kick heaters add an extra layer of warmth inside the restroom trailer during New York's bitterly cold winter months. The **MILL BASIN Restroom Trailer** runs from a generator or standard 110 Volt outlet.

CALLAHEAD's **MILL BASIN Restroom Trailer** is available for delivery throughout New York City's five boroughs of Brooklyn, Queens, Manhattan, Staten Island and the Bronx and all of Westchester, Nassau, and Suffolk Counties to Montauk Point. CALLAHEAD also has our unmatched hospital grade cleaning service daily, weekly, monthly, or upon request. A CALLAHEAD professional uniformed service technician will clean and sanitize the **MILL BASIN** with only hospital grade cleaners and disinfectants. Plus, re-stock the **MILL BASIN Restroom Trailer** with supplies at every service.
