

TELE-TOILETTE

The Tele-Toilette Portable Toilet exclusively from CALLAHEAD!

Bring the "Old York" to the "New York" at your next special event with CALLAHEAD'S TELE-TOILETTE portable restroom rental. This revolutionary portable toilet will bring a European flare to your event and its beauty will add to the décor. Party guests will be pleasantly surprised to find out that the British style telephone booth in your backyard is actually a full service outdoor portable bathroom. This is not your typical porta potty rental to say the least.

A perfect luxury portable toilet to rent for every special occasion including weddings, showers, house parties, community events, fund raisers or any special event, casual or formal. It has all the extra amenities and conveniences you would expect in fine restaurants or catering hall bathrooms.

The toilet bowl has an aviation style vacuum flush technology similar to an airplane's bathroom. Operated by a gentle foot press, this powerful flushing system will keep the toilet bowl clean and eliminate odors inside the portable restroom. A stainless steel hand washing sink has a self-closing faucet with a Bobrick stainless steel deck mount soap dispenser that is included in this luxurious TELE-TOILETTE portable toilet.

The soap dispenser is filled with CALLAHEAD's antibacterial soap that kills 99.9% of germs and bacteria for excellent sanitary hand washing and hygienic protection. Our antibacterial soap also meets OSHA and Health Department requirements. A James River Rollmaster toilet paper dispenser, single fold paper towel dispenser, trash receptacle and CALLAHEAD's own Headliner toilet seat covers add to this premium portable toilet.

You won't have to worry about clean restroom facilities when you rent the TELE-TOILETTE, and assured that every person will have a clean and dry trip to this portable restroom. Constructed from smooth marine grade plastic, the TELE-TOILETTE PORTABLE TOILET resists dirt and has a durable pristine white and light grey interior revealing superior cleanliness.

A fully carpeted floor has a switch mat activation that will power on the porta potty when you step inside. And because the TELE-TOILETTE is completely solar powered, it requires absolutely no power supply or electrical connections to operate. This is a completely self contained port a potty that also doesn't require any water supply or hook-ups for its operation. Basically you are renting an outdoor porta potty that operates similar to a bathroom inside your home.

Your guests will be in awe that this piece of decorative art is a port a potty that you rented just for them. A little bit of the United Kingdom will be an unforgettable addition to your birthday party, backyard barbeque, bachelor party or corporate event. CALLAHEAD is the only company in New York and the nation that supplies one-of-a-kind portable toilets that are not only superior in function but pleasing to the eye.
