

CALLAHEAD'S **FACILITY** PORTABLE RESTROOM

CALLAHEAD's FACILITY is a full-size portable toilet rental delivered too hard to reach job sites when service trucks cannot access the location. The FACILITY is a standard sized portable toilet with a lifting hoist to provide easy and secure transport up, down, or across to where you need the portable toilet to be. Unlike other standard size portable toilets, the FACILITY Portable Toilet is also equipped with wheels making movement around any jobsite a breeze. CALLAHEAD understands that having a full size portable toilet close to construction crews is convenient and comfortable for workers and also cost efficient for employers. Construction throughout New York City is frequently inside a building, over bridges and overpasses, or below ground in tunnels and sewers. The FACILITY Portable Toilet is the ideal rental for construction crews to eliminate time wasted traveling to a from the restroom. Also, as a CALLAHEAD brand, you can be assured of having the cleanest portable toilets in the field.

Why choose CALLAHEAD for those hard to reach jobsites? CALLAHEAD has been in business since 1976, serving New York's construction industry with the greatest portable sanitation equipment in the field. Our decades in the industry make us the experts in servicing hard to reach construction sites including high-rise and multi story jobs sites, bridge and overpass construction sites, ship and barge jobs, and train, tunnel and sewer construction locations. CALLAHEAD's fully uniformed and trained delivery and service technicians are specialists in the field for these hard to reach locations.

CALLAHEAD®

NEW YORK

EMAIL: info@callahead.com

CALLAHEAD supplies only like new equipment and we use only hospital-grade disinfectants and cleaners so our clients not only see but also feel the clean when they step inside a CALLAHEAD brand portable restroom. When you need to transport a portable toilet at any jobsite, you must trust the company to have reliable equipment and in-depth knowledge on servicing your rental in these hard to reach locations. Our nearly five decades in the field makes CALLAHEAD the definitive experts to be the only company you can trust for safe, convenient and worry free portable toilets at the construction site.

Renting the FACILITY Portable Toilet will be cost effective to the employer and will add to the productivity at the jobsite. In addition, construction crews will appreciate having the convenience of hand sanitizing capabilities that comes standard with the FACILITY Portable Toilet rental. The hand sanitizer is mounted inside the port a potty and filled with a waterless hand sanitizer that kills 99.9% of germs and bacteria. This helps protect employees from spreading illnesses, including COVID-19. Having hand sanitizing capabilities also reduces the amount of sick time taken from work for a more productive jobsite.

Construction crews will especially appreciate the extra roomy interior inside the FACILITY Portable Toilet to maneuver freely inside. Even while wearing bulky tools and clothing, workers will benefit from the comfortable interior you get from a full-size portable toilet. The FACILITY is a completely enclosed portable toilet with a lockable door and occupancy signed for assured privacy. There is a full-size toilet seat, a separate large urinal, and a double covered toilet paper dispenser. The FACILITY Portable Toilet is constructed of twin sheet polyethylene panels, making it one of the most durable portable toilets on the market. The ventilation system is superior with individual air vents throughout to disperse odors quickly from previous users. In addition, the FACILITY Portable Toilet has an extra-large holding tank to handle heavy bathroom use.

The FACILITY Portable Toilet guarantees to provide the highest value for its rental. All of CALLAHEAD's portable toilets arrive in like new condition. Each cleaning service is conducted by a trained uniform service technician using only hospital grade cleaners and disinfectants. We have like new service vehicles and shiny tank trucks that are cleaned daily and serviced regularly.

The FACILITY Portable Toilet's grey color match well with construction equipment at the jobsite to blend in nicely. Best of all, the FACILITY Portable Toilet will give your construction workers the CALLAHEAD brand. CALLAHEAD's FACILITY Portable Toilet supplies construction sites a convenient and sanitary portable restroom no matter the location. Even high rise buildings without elevators or stairways, can receive the best portable toilet rental service in the portable sanitation industry with the FACILITY.

CALLAHEAD is the world leader in the portable toilet industry in every aspect of our business. We provide the cleanest and most advanced portable toilets delivered to you in like-new condition. Our countless inventions have changed the industry and deliver only the very best and most sanitary portable restrooms available anywhere. We clean and sanitize all of our equipment with only hospital grade cleaners and disinfectants, a necessity for our society's health and safety. We are a New York company since 1976, only serving New York City's Five Boroughs, Nassau, Suffolk, and Westchester Counties. We have over 140 trucks and 260+ employees dedicated to service every CALLAHEAD customer so you will never sacrifice on service. CALLAHEAD understands that to deliver the very best customer service in our industry, we must be dedicated and never extend ourselves outside of our service areas. Overextending service areas like so many companies do only results in poor service and sanitation, affecting the health and safety of customers, which is something we will never do. CALLAHEAD also has the most choices for any short-term or long-term rental to accommodate any situation.

THE FACILITY IS THE ANSWER FOR HARD TO REACH LOCATIONS:

The FACILITY Portable Toilet is valuable to many hard to reach locations that are widespread throughout all of New York City's five boroughs, Nassau and Suffolk Counties and Westchester County.
