

## CALLAHEAD'S VALET KEY BOOTH 16

### An Architectural Masterpiece

CALLAHEAD's VALET KEY BOOTH is a gorgeous architectural design to add value to any business. The VALET KEY BOOTH series was created and designed by Charles W. Howard, CALLAHEAD's President and CEO and award-winning designer and builder to deliver the greatest valet booth ever designed. The perfect solution for businesses to offer valet parking services to retain and protect valet staff from inclement weather, stay organized, and protect private property. The VALET KEY BOOTH 16 is the smallest of CALLAHEAD's valet key booth series. Another Howard design manufactured and only available exclusively through CALLAHEAD. The VALET KEY BOOTH 16 is so impressive customers will think it was built for the location.

Like never before valet parking services are a necessity for success. Hotels, restaurants, catering halls, country clubs, night clubs and bar businesses benefit immensely when valet parking services are on-site. Valet parking attendants are especially crucial for inclement weather such as wind, rain, sleet and snow, as well as unfamiliar or unsafe locations, and limited parking areas to increase business. A great first impression and convenience are what patrons will appreciate and remember with the VALET KEY BOOTH 16 on-site.

The VALET KEY BOOTH 16 is available in twelve color choices to look amazing in any location. Mr. Howard designed the VALET KEY BOOTH 16 to give restaurants and the hospitality industry a valet parking booth that not only looks spectacular but provides a stress-free rental delivered and placed exactly where they need it. With one phone call, businesses can have an old world architecturally designed valet parking booth that looks as though it was built especially for the location. The VALET KEY BOOTH 16 provides valet attendants with a secure and safe enclosed workspace which will retain parking attendant staff and keep attendants organized. Interior features include thermostat heat and air conditioning, shelving, custom key box, safe, lighting, electrical outlet, and a spacious interior.

Valet parking services are essential for not only the hospitality industry but also for medical facilities and hospitals, shopping malls, corporate offices, and parking garages to name a few. Valet parking will increase vehicle capacity and maximize parking space to increase business revenue. Inclement weather, evening hours, unsafe neighborhoods, limited parking areas, and special events are just a few situations when valet parking is essential. Having valet parking attendants for any customer-based business will promote large events and repeat business. CALLAHEAD's VALET KEY BOOTH 16 is so impressive it will look custom-built for the location. Inside the VALET KEY BOOTH 16 includes all the essentials for valet staff to be successful on the job within a safe and comfortable environment.

Any customer or client-based business would benefit from valet parking services. Nightclubs, restaurants, hospitals, hotels, clubs, catering halls, condominiums, government buildings, medical facilities, airports, spas, parking garages, private clubs, corporate offices, shopping malls, golf courses, and private estates are where the VALET KEY BOOTH 16 is the ideal rental. CALLAHEAD's VALET KEY BOOTH 16 is a work of art and like nothing else available. The architectural details include design panels, brass or stainless moldings and trim, decorative appliques, and a standing seam roof all available in a dozen color choices. Available in twelve different color designs, the VALET KEY BOOTH 16 offers the perfect design to compliment any real estate adding even more value. CALLAHEAD's valet key booth series was designed by Charles W. Howard to look incredible to bring the old-world design to any location.

The VALET KEY BOOTH 16 windows offer valet staff a perfect view of the area to see when vehicles are approaching. Valet staff will also have protection from the cold, rain, sleet snow, wind, and humid summer temperatures year-round. Having valet parking attendants on-site will also help protect property from vandalism and theft. The VALET KEY BOOTH 16 is constructed of Azek low density polyethylene which means it is rot, waterproof and insect resistant to last a lifetime. Built weather tight with heat and roof mounted central air conditioning to supply year-round comfort for long-term and short-term rental needs.

Mr. Howard left no detail undone with the VALET KEY BOOTH 16. Architectural appliques, and crown, base, corner, and picture frame moldings extend all throughout. The standing seam roof color was selected to best complement the VALET KEY BOOTH 16's exterior color. CALLAHEAD specialty designer plates, doorknobs, and trim extend around the windows and doors adding to the VALET KEY BOOTH 16's old-world artistic design. Brass or stainless downlights light up the front facade illuminating the classical design. Twelve color choices with twelve specially selected CALLAHEAD signage plates, hardware, roof, molding, and trim create the most incredible valet parking booth ever manufactured.

Each of the twelve colored VALET KEY BOOTH 16 parking attendant booths are unique and architecturally designed with coloring, hardware and trim work as follows:

- In The Navy valet parking booth has a silver metallic roof with stainless hardware and trim work.
- Pineapple Cream valet parking booth has a tropical green roof with brass hardware and trim work.
- Purple Passage valet parking booth has a silver metallic roof with stainless hardware and trim work.
- Essential Gray valet parking booth has a slate gray roof with stainless hardware and trim work.
- Red Theatre valet parking booth has a brandy white roof with brass hardware and trim work.
- Easy Green valet parking booth has a classic copper roof with brass hardware and trim work.
- Iron Ore valet parking booth has a matte black roof with brass hardware and trim work.
- Dover White valet parking booth has a classic copper roof with brass hardware and trim work.
- Something Blue valet parking booth has a silver metallic roof with stainless hardware and trim work.
- Gauntlet Gray valet parking booth has a matte black finish roof with stainless hardware and trim work.
- Real Red valet parking booth has a classic copper roof with brass hardware and trim work.
- Fox Hall Green valet parking booth has a classic copper roof with brass hardware and trim work.

The VALET KEY BOOTH 16 is equipped with a commercial-grade aluminum auto close lockable door with a 24" x 17" window. The door has a key lock entry and an interior locking system. Three sides of the VALET KEY BOOTH 16 have windows. Two sides have a 36" x 36" window, and one side with a 24" x 17" window for easy outside viewing. The VALET KEY BOOTH 16 is completely weather tight for year-round use. A wall-mounted Stelpro 1500-Watt fan-forced heater will provide warmth during New York's colder months. The Coleman Mach 13,000 BTU air conditioning unit is installed overhead to keep parking attendants cool during the warmer months and being overheard will not take up any interior space. This comfortable and enclosed valet parking booth will be appreciated by employees while also assisting in retaining valet staff, attract good employees, create low employee turnover, and promote less sick leave.

The VALET KEY BOOTH 16 is the smallest version of CALLAHEAD's valet key booth series. The interior built-ins provide workspace to operate a successful valet service anywhere you need it. The 46" x 46" interior space allows attendants to place a chair for a comfortable work station during their work shift. There are two built-in 18" wide x 38" high cabinets with doors and decorative door handles. One cabinet includes 50 brass key hooks with high gloss wood-stained paneling for valet parkers to secure car keys. The other cabinet has four shelves and a mounted clipboard for paperwork to help valet parking attendants stay well organized. A 12" x 12" lockable safe is mounted inside beneath a large shelving area to secure personal property. A padlock can be supplied by CALLAHEAD upon request.

The two large sliding windows with screens offer fresh air flow inside the VALET KEY BOOTH 16 whenever needed. The windows have an interior locking system for security. A marine grade plastic shelf measures 43" x 13". A porcelain pull chain LED light fixture will provide light for evening use. A 110v electric outlet is wall mounted inside the VALET KEY BOOTH 16 for a phone charger, mini refrigerator or any electrical supplies needed to comfortably operate.

The VALET KEY BOOTH 16's interior color will match the exterior. The Armstrong flooring is a wide plank faux wood or faux tile. The spacious 16 square foot interior boasts plenty of room for a chair to offer a comfortable workstation during every valet tour. CALLAHEAD also offers the option of adding our furniture package with the VALET KEY BOOTH 16 rental for convenience.

The VALET KEY BOOTH 16 will provide valet parking attendants with a safe environment to serve customers. Having the VALET KEY BOOTH 16 will help retain staff and promote less sick leave. The VALET KEY BOOTH 16 is an exclusive design manufactured by CALLAHEAD and unavailable anywhere else.

The VALET KEY BOOTH 16 is available all throughout New York City's five boroughs: Manhattan, Brooklyn, Queens, the Bronx, and Staten Island, Westchester County, and Long Island's Nassau and Suffolk Counties. As with all CALLAHEAD's equipment, the VALET KEY BOOTH 16 will be delivered by a CALLAHEAD professional uniformed delivery specialist. Our delivery specialist will arrive at your location in one of CALLAHEAD's signature delivery vehicles and place the VALET KEY BOOTH 16 at the location you select.

## CALLAHEAD'S VALET KEY BOOTH 16

### VALET KEY BOOTH 16 OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items with your VALET KEY BOOTH 16 valet parking booth. CALLAHEAD's accessory items are unmatched in the portable sanitation industry and include:

**Table and Chair** can be delivered and placed inside your VALET KEY BOOTH 16 to create a comfortable and productive workstation for parking attendants. The convenience of a table and chair will provide ample workspace for every valet tour.

**Antiseptic Dispenser** can be installed inside your VALET KEY BOOTH 16 filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs, bacteria, and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection for yourself and those you encounter. The antiseptic dispenser supplies 900 - 1300 uses and is 100% maintained and refilled when needed by CALLAHEAD with its rental.

**Paper Towel Dispenser** can be installed inside the VALET KEY BOOTH 16 and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is often rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental.

**Headmist Time Released Air Freshener** can be installed inside the VALET KEY BOOTH 16 that will release a clean fresh scent automatically. The Headmist is refilled when needed and 100% maintained by CALLAHEAD with its rental.

**Padlock** for the VALET KEY BOOTH 16 interior's wall mounted safe is available upon request.
