

CALLAHEAD'S VALET KEY BOOTH 32

An Architectural Masterpiece

CALLAHEAD's valet key booth series is the only one of its kind with a gorgeous architectural old-world design. Created for valet parking attendants, the VALET KEY BOOTH 32 is the mid-size version of CALLAHEAD's valet key booth series. Another Charles W. Howard design manufactured, and exclusively available only through CALLAHEAD. The VALET KEY BOOTH 32 will be a value to any business. Valet parking services are essential for the success of restaurants, hotels, night clubs, catering halls, or any food and spirits service establishment. Valet parking attendants are especially necessary for any business during inclement weather, cooler New York seasons, and unfamiliar or unsafe locations to increase business. A great first impression and convenience are what patrons will appreciate and remember with the VALET KEY BOOTH 32 on-site.

Charles W. Howard, CALLAHEAD's President and CEO is an award-winning builder and designer which is why CALLAHEAD's valet key booth series is the greatest valet parking booth ever created. The VALET KEY BOOTH 32 is available in twelve color choices to complement any setting. Mr. Howard designed the VALET KEY BOOTH 32 particularly with restaurants and bars in mind. With one phone call, businesses can have a gorgeous valet parking booth delivered on-site that will look as though it was built especially for the location.

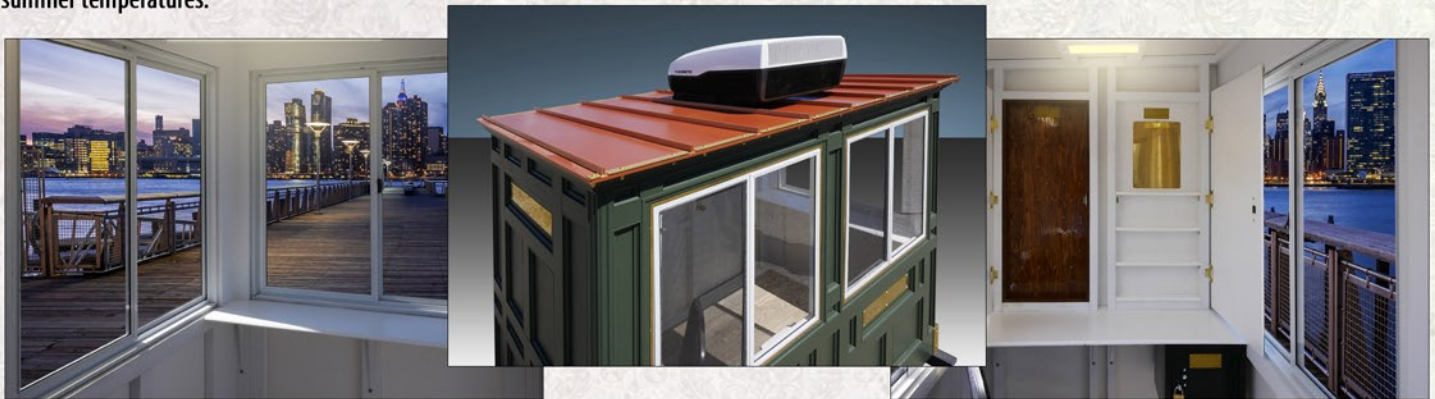

Valet attendants will have a safe and secure workspace which will retain help and keep valet staff organized. Built in interior features include thermostat heat and air conditioning, shelving, custom key box, safe, lighting, electrical outlet, and a spacious interior for multiple attendants.

Valet parking services are essential for catering halls, shopping malls, country clubs, corporate offices, parking garages, medical buildings and hospitals. Valet parking will increase vehicle capacity and maximize parking space to increase business revenue. Inclement weather, nighttime hours, unfamiliar locations, unsafe neighborhoods, hard to park locations, and special events are just a few reasons why valet parking is essential. Having valet parking attendants for any customer-based business will promote larger party events and repeat business. CALLAHEAD's VALET KEY BOOTH 32 exterior is so impressive, the public will think it was custom designed for the location. Inside the VALET KEY BOOTH 32 includes all the essentials for valet staff to be successful on the job within a safe and comfortable environment. The VALET KEY BOOTH 32 will no doubt add value to any location.

Every business would benefit from valet parking services on-site. Hospitals, hotels, parking garages, restaurants, private clubs, special event halls, government buildings, corporate offices, shopping malls, casinos, racetracks, medical buildings, theaters, concert venues, arenas, airports, resorts, condominiums, golf courses, spas, weddings, formal and black-tie events, movie premiers, red carpet events, and private estates are where the VALET KEY BOOTH 32 will benefit. CALLAHEAD's VALET KEY BOOTH 32 is incomparable to anything else available.

The magnificent architectural design includes design panels, brass or stainless moldings and trim, decorative appliques, and a standing seam roof all available in a dozen color choices. With twelve color designs to choose from, the VALET KEY BOOTH 32 will deliver the perfect valet booth for any real estate, adding even more value. CALLAHEAD's valet key booth series was designed by Mr. Howard to complement and beautify any location. The VALET KEY BOOTH 32 has oversized windows to provide a complete outside view of the surrounding area while also providing valet staff protection from rain, snow, wind, sleet, cold, and humid summer temperatures.

The windows will offer valet crews the ability to stay on top of new vehicles approaching. Large viewing windows will also help protect the property from vandalism and theft. The VALET KEY BOOTH 32 is constructed of Azek low density polyethylene which means it is rot, waterproof and insect resistant to last a lifetime. Built weather tight with heat and roof mounted central air conditioning to supply year-round comfort for long-term and short-term rental needs. There was no architectural detail left unturned with Mr. Howard's design of the VALET KEY BOOTH 32.

Artistic appliques, and crown, base, corner, and picture frame moldings extend all throughout. The standing seam roof color was selected to best complement the VALET KEY BOOTH 32's exterior color. CALLAHEAD specialty designer plates, doorknobs, and trim extend around the windows and doors adding to the VALET KEY BOOTH 32's old-world sophisticated design. Brass or stainless downlights light up the front facade illuminating the classical design. Twelve color choices with twelve specially selected CALLAHEAD signage plates, hardware, roof, molding, and trim creates the most incredible valet parking booth ever manufactured.

The VALET KEY BOOTH 32 is equipped with a commercial-grade aluminum auto close lockable door with a 24" x 17" window. The door has a key lock entry and an interior locking system. On the three sides of the VALET KEY BOOTH 32 are four 36" x 36" windows, and a 24" x 17" window for an easy exterior view. The VALET KEY BOOTH 32 is completely weather tight for year-round use.

A wall-mounted Stelpro 1500- Watt fan-forced heater will provide warmth during New York's cooler months. A Coleman Mach 13,000 BTU air conditioning unit is installed overhead to keep parking crews cool throughout the hot summer months and not interfere with any interior space. Offering a comfortable and well protected space for valet staff will attract good employees, create low turnover, and promote less sick leave.

The VALET KEY BOOTH 32 is the mid-size version of CALLAHEAD's valet key booth series. The interior built-ins provide workspace to operate a successful valet service anywhere you need it. There are two built-in 18" wide x 38" high cabinets with doors and decorative door handles. One of the cabinets includes 50 brass key hooks with high gloss wood stained paneling for valet parkers to secure car keys safely. The other cabinet includes four shelves and a mounted clipboard for paperwork to help valet parking attendants maintain organization. A 12" x 12" lockable safe is installed and mounted beneath a large shelving area to secure valuables. A padlock can be supplied by CALLAHEAD upon request. The large sliding windows with screens offer fresh air flow inside the VALET KEY BOOTH 32. Four large windows have an interior locking system for security. There are two marine grade plastic shelves. One shelf measures 43" x 12" and another 43" x 10" to provide plenty of workspace for valet crews. A porcelain pull chain LED light fixture will provide light for evening use.

There is a 4-way 110v electric outlet wall mounted inside the VALET KEY BOOTH 32 for a phone charger, mini refrigerator or any electrical supplies needed to comfortably operate. The VALET KEY BOOTH 32's interior color will match the exterior. The Armstrong flooring is a wide plank faux wood or faux tile. The spacious 32 square foot interior boasts plenty of room for a couple of chairs to provide a comfortable workstation during every valet tour. CALLAHEAD also offers the option of adding our furniture package with the VALET KEY BOOTH 32 rental for convenience. The VALET KEY BOOTH 32 will provide valet parking attendants a safe environment to serve customers. Having the VALET KEY BOOTH 32 will help retain staff and promote less sick leave. The VALET KEY BOOTH 32 is an exclusive design manufactured by CALLAHEAD and unavailable anywhere else.
