

CALLAHEAD'S VALET 48 KEY BOOTH

The gorgeous VALET KEY BOOTH 48 is an artistic old-world design by Charles W. Howard, and manufactured by CALLAHEAD. The VALET KEY BOOTH 48 is guaranteed to impress and add value to any business. Offering valet parking services at restaurants, bars, nightclubs, hotels, and catering halls is essential. Valet parking services offered by establishments will increase business which also means increased revenue. Safety, convenience, and a great first impression is what patrons and clients will appreciate and remember, elevating the probability of repeat business.

Mr. Howard is an award-winning designer, builder, and CALLAHEAD's President and CEO, so it is no wonder the VALET KEY BOOTH 48 is the greatest valet parking booth ever designed. Available in twelve color designs to look incredible in any location. The VALET KEY BOOTH 48 was created for restaurants, nightclubs, and businesses to conveniently provide valet parking services on-site with old world style while providing a safe and secure environment for valet attendants. The built in interior features include thermostat heat and air conditioning, shelving, custom key box, safe, lighting, electrical outlet, and a roomy interior to keep valet crews organized and comfortable during any time of year.

Valet parking services will maximize parking space to increase vehicle capacity and business revenue. Valet parking services has become a necessity to promote business for its safety and convenience. Inclement weather, evening hours, unfamiliar neighborhoods, unsafe areas, hard to park locations, and special events are just a few reasons why valet parking is essential for any bar, nightclub, restaurant, catering hall, and country club.

Having valet parking attendants for any patron or customer based business will promote new business and larger party events. CALLAHEAD's VALET KEY BOOTH 48 is architecturally designed to be the most beautiful well-built valet booth ever created. The exterior design was created to look like the valet booth was custom designed for the location. The interior of the VALET KEY BOOTH 48 has all the necessities for valet staff to operate securely and comfortably for safety and retain staff. Everything about the VALET KEY BOOTH 48 adds value to any location. Valet parking services are essential to expand and maintain success for hospitals, hotels, country clubs, restaurants, catering halls, sports clubs, nightclubs, government buildings, corporate offices, shopping malls, casinos, racetracks, medical buildings, theaters, concert venues, arenas, resorts, parking garages, condominiums, golf courses, spas, formal and black tie events, red carpet events, and weddings. CALLAHEAD's VALET KEY BOOTH 48 is unlike anything ever created. The architectural design is extraordinary with design panels, brass or stainless moldings and trim, decorative appliques, and a standing seam roof all available in a dozen color choices. Twelve color choices to choose from delivers the perfect VALET KEY BOOTH 48 to any business or property. CALLAHEAD's valet key booths are designed to accessorize any location which will increase business exposure adding more value.

The VALET KEY BOOTH 48 has oversized windows to provide a complete outside view of the surrounding area while also providing valet staff protection from the ever changing weather. Having oversized windows provides valet parking staff the opportunity to see when new vehicles are approaching while also helping to eliminate theft and vandalism on the property. The VALET KEY BOOTH 48 is constructed of Azek low density polyethylene which means it is rot, waterproof and insect resistant to last a lifetime. Built weather tight with heat and roof mounted central air conditioning to supply year-round comfort for long-term and short-term rental needs.

Mr. Howard went all out on the architectural details with the VALET KEY BOOTH 48. Elegant appliques along with crown, base, corner, and picture frame moldings extend all throughout. The standing seam roof color was selected to best complement the VALET KEY BOOTH 48's exterior color. CALLAHEAD specialty designer plates, doorknobs, and trim extend around the windows and doors adding to the VALET KEY BOOTH 48's old-world sophisticated design. Brass or stainless downlights light up the front facade illuminating the classical design. Twelve color choices with twelve specially selected CALLAHEAD signage plates, hardware, roof, molding, and trim creates the most incredible valet parking booth ever manufactured.

The VALET KEY BOOTH 48 is equipped with a commercial-grade aluminum auto close lockable door with a 24" x 17" window. The door has a key lock entry and an interior locking system. On the three sides of the VALET KEY BOOTH 48 are four 36" x 36" windows, a 48" x 36" window, and a 24" x 17" window for easy outside viewing. The VALET KEY BOOTH 48 is completely weather tight for year-round use. A wall-mounted Stelpro 1500-Watt fan-forced heater will provide warmth during New York's coldest winter months. A Coleman Mach 13,000 BTU air conditioning unit is installed overhead to keep parking crews cool throughout humid summer days and does not interfere with any interior space. Offering a comfortable and well protected space for valet staff will retain good employees, create low turnover, and less sick leave. The VALET KEY BOOTH 48 is the largest of CALLAHEAD'S valet key booth series boasting plenty of interior space for multiple valet personnel and all the built-ins to successfully operate valet services.
