

CALLAHEAD'S CLASSIC RESTROOM

CALLAHEAD appreciates our American heritage and the classic old-world style. To keep that history alive we are proud to introduce the CALLAHEAD CLASSIC RESTROOM. CALLAHEAD has reinvented the vintage wooden outhouse for those traditionalists who appreciate, as we do, the nostalgia of our American heritage. When the Pilgrims settled in America, they used outdoor bathrooms, since they had no running water or indoor plumbing. These bathrooms were called 'outhouses' or 'privies'. Our CALLAHEAD CLASSIC RESTROOM will bring you back to that American heritage with comfort and style.

The CLASSIC RESTROOM was built using only premium heavy duty materials. Special time and care was taken throughout construction of this one-of-a-kind restroom. The CLASSIC is available in several color choices all in a stained wooden design with carved moons on the two side walls of unit. Inside this classic restroom is a solid oak wooden toilet seat with brass hinges. To keep with the feel of the tradition of our American Pioneers we have included an old fashioned wooden double toilet paper box holder mounted by the toilet set. There is also a vintage brass patina mirror wall mounted inside the CLASSIC RESTROOM. We also added a vintage copper urinal and matching vent pipe.
