

CALLAHEAD'S PORTALOO PORTABLE RESTROOM

CALLAHEAD'S PORTALOO is a portable restroom for long-term rental that looks more like art rather than a restroom and gives you the highest value for your money. The PORTALOO RESTROOM was designed by Charles W. Howard, CALLAHEAD's President & CEO to deliver the authentic design of an English telephone booth and restroom facilities in one rental. Westchester, the Hamptons, Central Park, Williamsburg, Upper West Side, Brookville, Garden City, Old Westbury, and Huntington are just a handful of neighborhoods the PORTALOO RESTROOM will look fantastic for long-term jobs.

The PORTALOO is a CALLAHEAD brand design and available only through CALLAHEAD. Renting from CALLAHEAD also means the cleanest portable restrooms available anywhere. CALLAHEAD's cleaning service is second to none and provides hospital grade sanitation using only hospital grade cleaners and disinfectants at every service. In business for nearly 50 years, CALLAHEAD is the world's greatest portable sanitation company. We offer sameday delivery and around the clock cleaning services to accommodate any situation. CALLAHEAD started in Queens, New York and only serves the New York area so you are assured of the greatest service in the field from our over 260 New York dedicated CALLAHEAD employees.

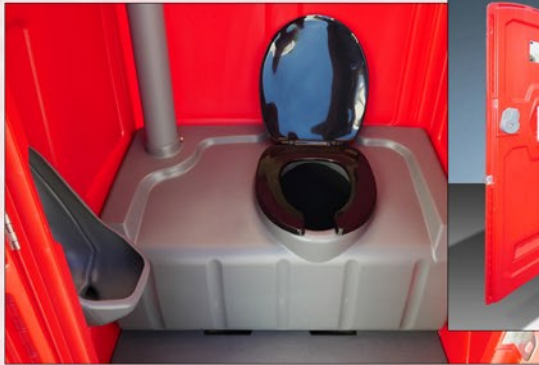

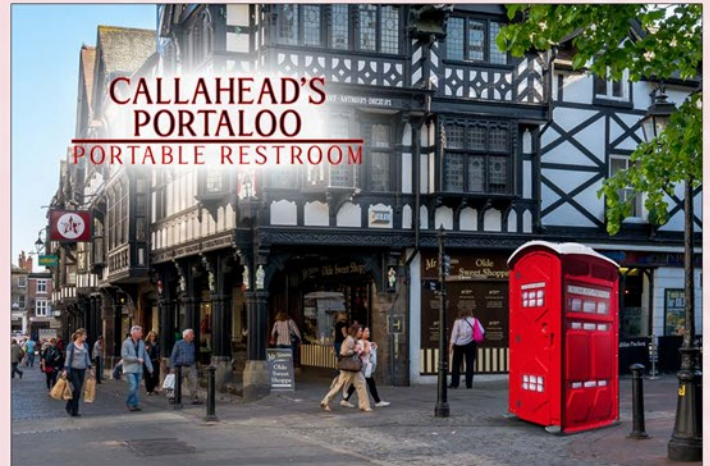

The PORTALOO is truly a one-of-a-kind long-term restroom rental. There is no other design like it in the portable sanitation industry for long-term locations. The attractive English telephone booth design delivers more value for your rental. The PORTALOO was created to be a work of art making it ideal for parks, businesses, and residential locations. Restaurants, government offices, country clubs, shopping malls, bars and nightclubs are all popular locations where the PORTALOO will look spectacular.

Constructed of high density polyethylene for strength and the iconic English telephone booth design will stand out as art rather than a restroom. Compliments will be a regular occurrence with the PORTALOO RESTROOM no matter the location.

The roomy interior design is equipped with high flow molded-in vent screens for continuous airflow to reduce odor. The interior provides a convenient coat and hat hook, interior LED solar powered light, corner shelf and a gender friendly hover handle. The toilet seat is positioned precisely to reduce visibility to the urinal and reduce urine odor. The back corner vent stack not only efficiently vents odor from the highest point of the tank but also creates a roomier feel.

The PORTALOO RESTROOM is not only a beautiful British styled restroom it is also the cleanest in the industry. The best sanitary conditions are required today more than ever. CALLAHEAD's world renowned weekly cleaning service is provided with every long-term PORTALOO rental. CALLAHEAD guarantees hospital grade cleaning and disinfecting by trained uniform service technicians for all CALLAHEAD equipment upon delivery and at every cleaning service. Our hospital grade cleaners and disinfectants kills 99.9% of germs and bacterial including the COVID-19, H1N1, SARS, E.Coli, the common cold, flu and other dangerous viruses, germs and bacteria.

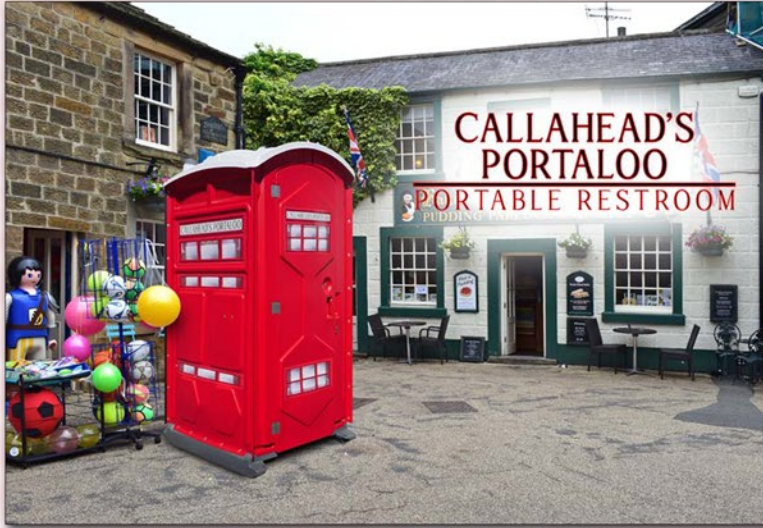

Once you enter through the PORTALOO'S spring loaded door, you will notice a spacious interior. The door's interior locking system will trigger an exterior occupancy sign for privacy. There is a full-size comfortable toilet seat and a covered double toilet paper dispenser. The toilet paper dispenser is filled and restocked with every service with CALLAHEAD brand toilet paper. A separate non-splash urinal is located at the furthest point from the toilet seat. The urinal is connected to a vent pipe to prevent odors from lingering inside the restroom.

A wall mounted antiseptic dispenser can be installed upon request and filled with hand sanitizer gel to kill 99.9% of germs and bacteria to help eliminate the spread of germs. There is a coat and hat hook available inside the PORTALOO for users to place to hang personal items. A convenience shelf is also provided. The interior door includes a mirror and a hover handle. Smooth interior surfaces wipe easily clean and will not absorb any odors. A chimney stack along with molded-in vent screens offers plenty of air flow to release odors from previous users. The white translucent roof provides bright natural light inside the restroom. The PORTALOO RESTROOM has an interior ceiling light for plenty of light, day or night. The LED light operates from a solar panel on the roof, so it does not require any electric or battery maintenance to operate. The light has a motion detector which turns the light on and off automatically as soon as the door is opened.

The PORTALOO is available for same day delivery throughout all of New York City's five boroughs of Manhattan, Brooklyn, Queens, the Bronx and Staten Island, Westchester County and all of Nassau and Suffolk Counties on Long Island.
